

On the application of **Tate's Bakeshop**, 43 N. Sea Road, Jessica is here to represent the applicant. This matter was reopened at the last hearing to allow the applicant to present a landscaping plan tonight. The plantings are too mature for the beds currently; they are looking to revamp the landscaping. They plan on keeping the boxwood and the structure. They are looking to reduce the size of the plant material. The goal is to create a nice cottage garden.
