

SOUTHAMPTON

The Christmas Village

November 8, 2018

Dear Friends and Neighbors,

“It’s the most wonderful time of the year” . . . with only a few weeks away, the Christmas Decorations Committee is busy preparing for the 2018 holiday season. As always, our focus is transforming the Village into a magical wonderland. The holiday ambience features live trees along the sidewalk hosting sparkling lights; welcoming storefronts displaying freshly decorated wreaths; Santa and his reindeer atop Main Street; the Methodist Church manger exhibit; ornate angels adorning the fence of the Southampton Art Center; horse and buggy rides every Saturday before Christmas; visitors arriving at the Southampton train stop will be welcomed by a festive holiday depot. This year we are adding a spectacular firework display at the November 24th commencement event. Does it get any better!!

To continue this cherished holiday tradition, we rely solely on private community contributions, not tax funds. This appeal letter is our only way to raise funds for the holiday season in Southampton. We ask you to be as generous as possible with your **tax-deductible donation**. Your contribution, payable to the Christmas Decoration Committee Inc., can be forwarded in the enclosed envelope.

Christmas Decorations Committee, Inc.
P.O. Box 3096
Southampton, New York 11969

Please join us as we commence this season on **Saturday, November 24th** with a fun-filled evening. Festivities begin on Windmill Lane at 5:00 p.m. with the Parade of Lights, and VOSH (Voices of Southampton) will be singing favorite Christmas carols. The Annual Tree Lighting ceremony in Agawam Park will be followed by an **Amazing Fireworks** display. The event will end at the Cultural Center with hot chocolate and chats with Santa.

Best wishes for a very Merry Christmas and a Happy New Year!

William H Yawney
